03 November 2025

Dear Sir/ Madam,

**Porchester Road Active Travel Scheme – resurfacing works.**

Thank you once again for your patience whilst we deliver this scheme. We are now nearing the end of our construction programme, the final activity of which is the resurfacing and relining of the carriageway.

In order to carry out this resurfacing work, we will need to close Porchester Road overnight from **Monday 17th November to Friday 28th November 2025**. The closure will come into effect between **20:00 and 06:00** the following morning. While these unavoidable closures take place, a clearly marked alternative route will be available.

As ever, our Site Manager will keep in regular contact with residents. If you have any queries or special requirements whilst these works are taking place, then please do contact us.

In the event that we need to make any changes to the proposed timeline or works, we will publish them online on the Transport Nottingham website:

**[www.transportnottingham.com/porchester-road](http://www.transportnottingham.com/porchester-road)**

We apologise in advance for any inconvenience this element of work may cause and will do all we can to keep it to a minimum. We just want to reiterate our thanks for your continued patience whilst we deliver this scheme.

Yours sincerely,

*Felicity Ward*
