

Streets for People

Nottingham City Council is planning on improving Robin Hood Street

Nottingham City Council is improving your area and will soon be starting works to resurface Robin Hood Street.

Work will start on Tuesday 22nd April until Friday 2nd May. This will be Monday to Friday only, hours of work will be 8am to 5pm. Outside of these times parking, access and bus services are unaffected.

How will this affect you in general ?

- Bin collections will still be collected on your usual day, please ensure these are placed outside your property before 8am.
- Liverpool Street (between Handel Street and Ashley Street) will be closed for the duration of the works.
- Buses will not service Robin Hood Street for the duration of the works, nearest bus stops in use will be at King Edward Park, Carlton Road.
- Pedestrian access will be always maintained.

How will each phase affect you?

Phase 1 - Tuesday 22nd April to Friday 25th April

- We will be undertaking preparation works for the resurfacing during this time. The road will not be closed but there will be temporary traffic management in place.

Phase 2 - Monday 28th April to Friday 2nd May

- Robin Hood Street (between Bath Street and Campbell Street) will be closed. There will be no parking within the closure area and local diversions in place. Access to Campbell Street will be via Beacon Hill Rise only.

If you have any general questions or concerns or require additional assistance during the works, please contact us at highwaymaintenance@nottinghamcity.gov.uk. If you have any immediate site concerns whilst works are taking place, please call the contractor, Thomas Bow on 0115 924 4555.

If these works are not running to schedule, we will update the website for Highways Planned Maintenance. Please visit: transportnottingham.com/highways or scan the QR code using a phone camera.
