

Highways Planned Maintenance

Improving your roads

Nottingham City Council is planning to improve your road

We are resurfacing Beckhampton Road between Mountfield Drive and Belleville Drive from 13th October until 31st October. We will be working Monday to Friday and Saturday 25th October. All restrictions noted below are during working hours only.

How will this affect you?

All phases

- No parking to take place on the road.
- Vehicle access to driveways will be maintained where possible, although there may be times when this is limited.
- Pedestrian footways will remain in use.
- Bins will be collected on your usual day before 7am.

Phase 1 – Monday 13th to Friday 17th October 9.30am to 3.00pm

- There will be temporary 2-way traffic lights in use.

Phase 2 – Monday 20th to Friday 31st October 8.00am to 5.00pm

- The road will be closed except for access; local diversions will be in place.
- Buses will use diversion routes. Please see the Nottingham City Transport website for further details of this www.nctx.co.uk/service-updates
- If you live off Bala Drive, there will be restrictions on which direction you can turn out of this road depending on where we are working on Beckhampton Road. Disruption to access may also take place whilst we resurface the junction of Bala Drive and Beckhampton Road.

If you have any general questions or concerns, please contact highwaymaintenance@nottinghamcity.gov.uk. If you have any queries or concerns about access during the work, require additional assistance or have any immediate site concerns, please call the contractor, Hansons, on 07927013027.

If these works are not running to schedule, we will update the website. Please visit: transportnottingham.com/highways or scan the QR code using a phone camera.
