

# Highways Planned Maintenance

## Improving your roads

### Nottingham City Council is planning to improve your road

We are resurfacing Bestwood Park Drive and parts of Deer Park Drive. Bestwood Park Drive is between the roundabout at Ridgeway and past the Deer Park Drive junction. Deer Park Drive is from the junction with Bestwood Park Drive to the city boundary. Work will commence on 16<sup>th</sup> February until 13<sup>th</sup> March. Monday to Friday, between 9.30am and 16.30pm.

Please see information below and plan overleaf for further details.

### How will this affect you during each phase ?

- No parking to take place on the road.
- Vehicle access to driveways will be maintained where possible, although there may be times when this is limited.
- Bus stops will not be in use on Bestwood Park Drive and buses will use a diversion route. Please see the Nottingham City Transport website for further details of this [www.nctx.co.uk/service-updates](http://www.nctx.co.uk/service-updates)
- Pavements will remain in use.
- Bins will be collected on your usual day before 8am.

### Phase 1 (16<sup>th</sup> to 24<sup>th</sup> Feb) - Ridgeway to past Beckhampton Road junction

- Access to Harkstead Road will be via Treearth Square.

### Phase 2 (25<sup>th</sup> Feb to 3<sup>rd</sup> March) - Past Beckhampton Road to Ringstead Walk

- Access to Treearth Square will be via Harkstead Road.

### Phase 3 (4<sup>th</sup> to 13<sup>th</sup> March) - Ringstead Walk to the Health Centre and Deer Park Drive

- Access to Deer Park Drive will be via Bestwood Lodge Drive. If you live on the no-through road (no's 129 – 101) access will be phased via either Queens Bower Road or Bestwood Lodge Drive.

Funding permitting we are proposing to resurface from the Health Centre to the city boundary in 2026/27.
