

Streets for People

March 2026

Lord Nelson Street – Resurfacing.

Nottingham City Council is improving Lord Nelson Street, from Sneinton Dale to Sneinton Boulevard. This scheme has been prioritised and extended in response to local demand and ward councillor engagement.

Work will start on Monday 16th March to 27th March, between the hours of 8am to 5pm, Mondays to Fridays.

How will this affect you in general?

- Bin collections will still be collected on your usual day, please ensure these are placed outside your property before 8am.
- The road will be closed and there will be no parking within the area of work, during working hours. Local diversions routes will be in place.
- Pedestrian access will be always maintained.

If you have any general questions or concerns or require additional assistance during the works, please contact us at highwaymaintenance@nottinghamcity.gov.uk. If you have any immediate site concerns whilst works are taking place, please call the contractor, Hansons, on 07927013027

If these works are not running to schedule, we will update the website for Highways Planned Maintenance. Please visit: transportnottingham.com/highways or scan the QR code using a phone camera.
