

Highways Planned Maintenance

Improving your roads

June 2026

Nottingham City Council is planning to improve the railings on the bridge at Hoewood Road

The bridge location (see below) is outside Rufford Primary and Infant School on Hoewood Road. The work is programmed to commence on 13th July 2026 for approximately 12 weeks.

How will this affect you during work

- There will be 2-way traffic lights in use
- The pedestrian route through the subway will remain open
- There will always be one footpath along Hoewood Road that will remain open during the works.

If you have any general questions or concerns or require additional assistance during the works, please contact ian.bretton@nottinghamcity.gov.uk. If you have any immediate site concerns whilst works are taking place, please contact the contractor, Danaher and Walsh Ltd on 07812 024 703 or email martin.village@danaherandwalsh.co.uk

If these works are not running to schedule, we will update the website for Highways Planned Maintenance. Please visit: transportnottingham.com/highways or scan the QR code using a phone camera.
