Nottingham City Council is improving your road

Nottingham City Council is returning to complete the resurfacing at Cockington Road from Brindley Road to Trowell Road. Works will be taking place from Monday 19th October until Friday 30th October. Hours of work will be 8am to 5pm Monday to Friday.

How will this affect you in general?

- The road will be closed 24 hours a day between Stagsden Crescent and Stotfield Road, through to Trowell Road.
- Driveway access within the area above will be maintained where possible, although there may be short periods when access is restricted. The contractor and traffic management team will be on site to help reduce disruption.
- Cockington Road will be closed to general traffic, local access will be maintained for residents and deliveries via Bilborough Road.
- Residents living in cul-de-sacs off Cockington Road will have restricted turning movements, such as left turn only or right turn only.
- A compound area will be placed at Bilborough Road slip Road/junction with Cockington Road. Resident access to this slip road will be via Bilborough Road
- Temporary traffic lights will be used on Trowell Road when needed to allow safe working at the junction.
- Buses that normally use Cockington Road will follow a diversion route.
- Pedestrian access will always remain available.
- Bins will still be collected on your usual collection day. Please place them outside your property before 7am.
- Businesses will remain open as usual.

If you have any general questions or concerns or require additional assistance during the works, please contact us at highwaymaintenance@nottinghamcity.gov.uk. If you have any immediate site concerns whilst works are taking place, please call the contractor, Thomas Bow, on 0115 924 4555.

If these works are not running to schedule, we will update the website for Highways Planned Maintenance. Please visit: transportnottingham.com/highways or scan the QR code using a camera phone.
