Nottingham City Council is improving your road

Nottingham City Council is resurfacing St Judes Avenue. Work will be taking place from Monday 2nd to Wednesday 11th November. Hours of work will be 8am to 5pm Monday to Friday.

How will this affect you in general?

- All restrictions are in operation during working hours only.
- There will be no parking on the road. If you need to park your car on the road, please park on one of the nearby roads e.g., Lucknow Drive or Blythe Street.
- The contractor and traffic management operatives will be on site to help reduce disruption.
- Bins will still be collected on your usual collection day. Please place them outside your property before 8am.
- Pedestrian access will always be available.

2nd to 11th November – Preparation Works

- Preparation work to the road will take place, including lifting and relaying the cobbles where possible. The road will be closed, access to driveways will be restricted at times.
- Whilst we have traffic management on the Avenue we will work collaboratively with Tree Services to conduct essential tree maintenance to prune dead branches, lift the crowns of any required trees and remove the dead tree opposite number 3.

9th and 10th November – Road Closure

- The road will be closed to traffic whilst we resurface. Access to driveways will be severely restricted.
- Temporary traffic lights will be in operation at Woodborough Road junction with as and when required between 9:30am to 3:00pm, to allow safe working at the junction.

If you have any general questions or concerns or require additional assistance during the works, please contact us at highwaymaintenance@nottinghamcity.gov.uk. If you have any immediate site concerns whilst works are taking place, please call the contractor, Robinsons Paver Hire (RPH) on 01623 238432.

If these works are not running to schedule, we will update the website for Highways Planned Maintenance. Please visit: transportnottingham.com/highways or scan the QR code using a camera phone.
