Highways Planned Maintenance

Improving your roads

Oct 2026

Nottingham City Council is planning to improve your road

We are resurfacing Western Boulevard from Nuthall Road to Aspley Lane (westbound side). Work will begin on 5th October, continuing until 29th October 2026. The hours of work will vary to suit the network. Please see information below and attached plans for further details on the times, proposed work and diversion routes.

How will this affect you?

All Phases

- All restrictions are in operation during working hours only.
- When the road closure is in place it will be from Nuthall Road to Aspley Lane on the westbound side only. Diversion routes will be in place.
    - Local access will be possible but restricted at times.
- A pedestrian route will always be maintained.
- Access to businesses will be maintained from Nuthall Road.
- There will be lane closures on all approaches to the Western Boulevard/Nuthall Road junction and Western Boulevard/Aspley Lane junction to facilitate safe working areas.
- Buses that use Western Boulevard will follow a diversion route.
- Bins will be collected on your usual day before 8am.

Nuthall Road to Aspley Lane (14th to 29th October; 7:00pm to 6:00am)

- Resurfacing works will require a road closure to be in place from Nuthall Road to Aspley Lane on the westbound side only. Diversion routes will be in place.

We will return to the area soon to apply a surface coat to the carriageway near to the junctions and crossing points for added skid resistance. We will let you know further details about this nearer the time by placing signs on the highway and updating the Transport Nottingham website.

If you have any general questions or concerns, please contact highwaymaintenance@nottinghamcity.gov.uk. If you have any queries or concerns about access during the work, require additional assistance or have any immediate site concerns, please call the contractor, Thomas Bow, on 0115 924 4555.

If these works are not running to schedule, we will update the website. Please visit: transportnottingham.com/highways or scan the QR code using a phone camera.
